Textbook: Introduction to Probability and Statistics (12th edition), Mendenhall, Beaver and Beaver.

Calculators: It is mandatory to have an officially supported calculator in this class, such as Texas instruments TI-83, TI-83+, TI-84+. You are required to bring your calculator to every class.

MyTulane: Your grades and course materials will be posted on MyTulane (formerly Blackboard). You can access MyTulane at <http://mytulane.blackboard.com> anytime from anywhere using your email username and password. If you have questions or difficulties, please contact the Help Desk at 862-8888.

Homework: Homework will be collected every Monday at the beginning of class. Late homework will not be accepted. Homework consisting of multiple pages must be stapled and will not be accepted otherwise. If you have any difficulties, you are encouraged to ask for help early in the semester.

Tests: There will be three tests given in class. There will be no make-up tests; if you absolutely have to miss one, a letter from your doctor or the Dean's office must be presented.

Final Exam: The final exam will be administered on Tuesday, December 11th, 8am - noon. All Math 111 sections will take the same final exam. Continuing studies students have the option of taking the exam at the regularly scheduled class time.

	Tests(3)	45%
Course Grade:	Homework and Lab	25%
	Final Exam	30%
